Thank you for donating your gently used goods to The Arc of Multnomah-Clackamas!

We have been removing recyclable materials from the greater Portland area waste stream for 40+ years. In turn, we use the proceeds from selling these items and materials to fund our programs and services.

The Arc of Multnomah-Clackamas provides advocacy, support, and services to children and adults experiencing intellectual and developmental disabilities [I/DD] and their families.

Keeping Portland Green

How much used goods do you actually process?
In 2019, we kept 347 tons of cloth, 140 tons of miscellaneous household items, and 44 tons in books out of the local waste stream! This includes clothing, drapery, linens, small kitchen appliances, dishware, small furniture, toys, bicycles, and miscellaneous knickknacks.

We also recycled 42,143 pounds of scrap metal – a growth of 532% from 2018! – and 2,658 pounds of wire, and processed 24,206 lbs. of electronics as a registered ecycler.

The Arc of Multnomah-Clackamas is proud to do its part to keep Portland beautiful and green! Your support of our used goods program makes it possible for us to provide programming that supports people with I/DD in the tri-county region.

All donations made to The Arc of Multnomah-Clackamas are tax-deductible.
